Take the Plunge !

But reduce the risks!

We apply decades of professional experience to our **BES** Business Expansion Services; including Commercial Models, Corporate Structures, Shareholder Agreements, Patents, Funding, Negotiations, Start-up, Expansion, Telework & Employment, Tax-Plans, Going Off-Shore, Coming On-Shore, Cashing-in, Tax-Investigations, Voluntary & Forced Liquidation, Investor-Exits and Flotation.

We advise recently-redundant people, and inventors, innovators, entrepreneurs, and large organisations - e.g.

Global CO2 saving green-projects - World Health Organisation - World Bank (TAC) - BT - New Concordia Wharf, London - Southbank Technopark - Collier Campbell Textile Designs - Patak Spices - Allington Court Gymnasium - Oxford Research Science Park - Transport for London - The European Charter for Telework - Tel-Sat - and many other large & small businesses - from hotels to shops to law-firms to landscape designers and DOT.coms.
